**1-(877)-352-2873**

## The Florida Legislature Recognizes

Substance abuse is a major health problem and leads to such profoundly disturbing consequences as serious impairment, chronic addiction, criminal behavior, vehicular casualties, spiraling health care costs, AIDS, and business losses, and profoundly affects the learning ability of children within our schools and educational systems. Substance abuse impairment is a disease which affects the whole family and the whole society and requires specialized prevention, intervention, and treatment services that support and strengthen the family unit.

*Fla. Stat. §397.305*

**Addiction Recovery Legal Services, LLC can assist you in obtaining court ordered drug and alcohol intervention, assessment and stabilization for anyone with a substance abuse problem. Also, we can help to ensure that future treatment is ordered and monitored by the Court.**

### Do you know anyone who:

- Has lost the power of self control with respect to drugs or alcohol?
- Has inflicted or is likely to inflict harm on themselves or someone else because of a drugs or alcohol?
- Has impaired judgment because of their drug or alcohol abuse?
- Simply does not appreciate their own need for care and treatment?
- Refused to voluntarily get help for their drug or alcohol problem?

We can help.

If you are in need of solutions, we have the understanding and experience to help.

We recognize the unique issues and difficulties faced by families forced to deal with a loved ones substance abuse or drug addiction.

We further understand and are experienced in dealing with legal issues associated with individuals who have a dual diagnosis for both substance abuse and mental illness.
